

* *Lujo* – pronounced “lew-ho”, Spanish for *luxury*.

Electrical Specification

- Voltage:** - 220/240 volt
- Wattage Output:** - 600 watt (TBB12), 500 watt (TBC12)
- 300 watt (TBB8, TBC8)
- Electrical Wiring:** - 1.5mm, 3-Core Flex, no Plug Top
- Safety Rating:** - IP44
- Fusing:** - Double Insulated, Class 2

Mechanical Specification

- Material:** - Mild Steel Powder Coated (TBB12)
- Mild Steel Chrome Plated (TBC12)
- Thermostat:** - 10 level Multiset Electronic Thermostat (TBB12)
- 6 level Multiset Electronic Thermostat (TBC12)
- Boost Timer:** - 2-hour max. (TBB12).
- Filling Liquid:** - Glycol
- Wall Fixing:** - Wall Mounted Mechanical Supports (3)

MODEL	FINISH	OUTPUT (watts)	DIMENSIONS (cm)	WEIGHT (kg)
TBB8	White	300	50 x 77 x 8	10.5
TBB12	White	600	50 x 122 x 8	15.5
TBC8	Chrome	300	50 x 77 x 8	10.5
TBC12	Chrome	500	50 x 122 x 8	15.5

TBB12 White

TBC12 Chrome

Features

Thermostat & Boost Timer (TBB)

Efficiency, control and running costs are optimised by Pureheat’s multiset thermostats, and 2-hour boost timer on the TBB series. The glycol fill and high-emissivity of LUJO’s mild steel frame maximises drying time and radiant heat, reduces mould build up, while ensuring towels remain scorch-free – even at 600 watt maximum output!

LUJO represents style, brilliance and functional European design. Choose from either the brilliant chrome of Pureheat’s TBC series, or the crisp whiteness of the TBB models. 300 watt models are available to suit smaller bathrooms or unique drying applications. Installation is easy with the 3 wall-mount supports, while LUJO can be hard-wired or a plug top added for existing sockets.

Pureheat’s reputation for quality and compliance is enhanced with LUJO’s splash-proof rating to IP44 and is double insulated for your extra safety.

2-6 towel capacity.
